

Fire Policy

The whole of KD Gym is a SMOKE FREE ZONE. In the unlikely event of a fire occurring during a training session an alarm will be sounded, and the following procedures will be implemented:

1. Gymnasts and coaches will move in an orderly way to the exit doors at either end of the gym and line up at the front the centre and make their way to the CARPARK.
2. Parents and others in the waiting area will likewise move to the main entrance doors, through the lobby area and to the front of the CENTRE and make their way to the CARPARK.
3. Once a term we plan to have a fire drill so please make sure that your child knows what to do.
4. Information about the Emergency procedures can be found around the facility.
